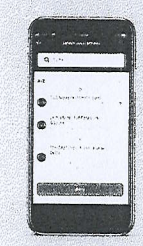
A service from BAKBANK

How does Skiply work?

Simple steps that make paying and accepting school fees a breeze.

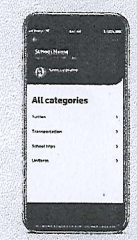


1 First find the school

Simply search for the school by name. You can quickly locate your child's school by searching nearby locations or even previous locations.

2 Then register your child using any of these ways

1. Skiply integrated School:
(a) Auto-detect - Once you have signed up, the app will automatically find the matching student against the database.
(b) Manual search - you can search for your child's details by name or the registered mobile number.
2. Non-Integrated: If the school is not integrated, then you can enter the child's details manually and register him/her on the app.



3 Next, choose the department

Multiple school departments enable you to pay for school fees, lunch fees, uniforms, excursions... etc.

4 Sign off Permission Slips

Schools can send digital permission slips to certain events or outings, enabling parents to sign off the slips using the app and also pay for their child's participation.

5 Select & Pay for school lunches

You can easily select the menu and date for your child's lunch and personalize it accordingly.

6 Multiple payment methods

Payments can be made via Credit, Debit or Prepaid Cards.

7 Multiple cards can be stored

You can store multiple cards from any bank for various payments.

8 Finally, you are issued digital receipts

Digital receipts are issued within the app, and automatically emailed to you.
