Circular No. SIS/042/2025-2026   18th June 2025

For the students of Grade 9

Dear Parent
Sir/Madam

Greetings from Sharjah Indian School…………...

Dear Parent
Sir/Madam

Sub: Introduction of Skill subject - Sixth subject for the students of Grade 9

Please be informed that a sixth subject has been added as a skill subject for the students of Grade 9 from 2025-2026. This enables the students to choose from a range of curricular options that helps them to develop their talents, interest and aspirations. We are offering any of these skill subjects - Information Technology (Subject Code: 402) / Artificial Intelligence (Subject Code: 417) as the sixth subject for Grade 9. The same choice of subjects will continue in Grade 10 also. Students who are willing to opt for the sixth subject are required to opt from any of the 2 subjects given below and fill the same in the CBSE registration form accordingly.

Skill Subjects	Subject Code
Information Technology	402
Artificial Intelligence	417

Artificial intelligence will be offered only to those students who secure a minimum of 60% marks in Mathematics. Kindly choose the appropriate subject for your ward.

Kindly note that if a student fails in any one of the three compulsory subjects (i.e., Science, Mathematics and Social Science) and passes in the Skill subject (offered as sixth optional subject), then that subject will be replaced by the Skill subject and the result of Class X Board examination will be computed accordingly.

Thanking you for your cooperation.

With regards

PRAMOD MAHAJAN
